

FILIPINO WAR IS AT AN END

Aguinaldo, Brought to a Realization of His Mistake, Calls for a Cessation of Hostilities.

NATIVE TROOPS DEMORALIZED

No Change of Policy Is Contemplated by the President. Insurgents Will Be Treated with Liberality—The Tension at Washington Relieved by the Last Despatch from General Otis—Filipinos Are Returning to the Towns Displaying White Flags, and It Is Believed That Aguinaldo's Influence Has Been Destroyed.

Manila, Feb. 9, 11 a. m.—The Filipinos at Calocan opened fire last evening just before midnight upon the Kansas outposts, on the extreme left of the American line.

Washington, Feb. 8.—There was an almost complete release today of the tension under which the rapid occurrence of events in the Philippines has held the officials of the administration since the first startling news from Manila Saturday night.

Manila, Feb. 8.—The situation rapidly improving. Reconnoitering yesterday to south several miles to Laguna Bay to southeast.

The insurgent expectation of rising in city on night of previous day. Provisional Government with admirable disposition of troops defeated every attempt.

It is entirely improbable that he will be able to restore anything like the status quo or to obtain anything like the same respect as was possible last week. No one here now knows just what General Otis intends to impose in the way of terms.

SENATOR FLINN SPEAKS

He Is Not Pleased with Mr. Sibley's Talk. Harrisburg, Feb. 8.—Senator William Flinn, of Allegheny, chairman of the anti-Quay Republican legislators, had his attention called today to the interview of Congressman Joseph Sibley on the senatorial subject.

This is a remarkable instance to come from the Democratic ranks. The most charitable construction to be placed upon the advice of Mr. Sibley to work upon the lines which he has indicated is that he is not sure of the election of Senator Quay, in that the Venango county congressman is utterly ignorant of conditions in the anti-Quay Republican camp.

It is a tribute to the integrity of other Democratic leaders that Mr. Sibley and his associates have not been approved by all of the Democratic leaders in the ranks of the legislature, who have been here most of the time since the opening of the present session of the legislature.

FULL DETAILS OF THE OUTBREAK AT SAMOA

Chief Justice Had Trouble in Choosing a King—German Consul Would Not Recognize Tanus. San Francisco, Feb. 8.—The steamer Moana arrived from Samoa today bringing full details of the recent outbreak at Apia to the Associated Press.

The situation today is practically unchanged. The American line has not been generally extended and the troops generally are taking much needed rest. Reconnoissances show that the Filipinos are in force in the villages of Pasig and Pananaguan, probably 7,000 men at the latter place, within strong fortifications.

It is thought at the war department that the large number of wounded Filipinos in the hands of the American forces, while they will prove somewhat burdensome, will make a heavy draft on the resources of the medical department, will prove a good thing in the end.

General Hale's brigade, consisting of the First South Dakota infantry, First Colorado cavalry and the First Wyoming infantry, supported by a battery of the Utah light artillery, occupies the most advanced post in the American line.

Two companies of the Colorado support the Twenty-third infantry, which is occupying the water works, while the Nebraska cavalry is stationed at the reservoir, three miles to the east.

Yesterday the United States troops captured the village of San Pedro completely, and today the villagers returned in small parties bearing banners to which white flags were fastened.

The Americans are in excellent spirits and appear to regard their experiences as a picnic rather than a stern reality. One haply Colombian, who was discussing the capture of the water works, said it reminded him of a rabbit drive on the Colorado plains.

General Ovenshine's brigade, the Fourth cavalry, Fourteenth infantry and First North Dakota infantry on the right, and the First Wyoming cavalry, the First Idaho infantry and the North Dakota are strung out from block-house 11 to the right.

A few native houses, from which shots had been fired, were burned, but most of the others are either vacant or marked with white flags.

Washington, Feb. 8.—The inquiry into the charges against the character of the army command performed by General Miles will follow close upon the presentation of the report of the commission to investigate the conduct of the war.

DISCOVERIES OF THE COMMISSION

CAREFUL INQUIRY PROVES EVERYTHING ALL RIGHT. The War Investigation at an End. No One Receives Censure Save General Miles—Commission Decides That the Embalmed Beef Was an Emergency Ration—It Also Finds That Secretary Alger and His Subordinates Were Efficient, Experienced and Faithful.

Washington, Feb. 8.—The war investigation commission has now completed its labors and a report will be in the hands of the cabinet tomorrow.

It says there were only two witnesses who really testified against the beef, General Miles and Major Daly, the chief surgeon who made the report regarded as the most sensational feature of the report.
